Gareth Dickson and Susan Hayter & Mercedes Henning were welcomed.
- 2) **Apologies** :- None.
- 3) **Minutes/Notes of Meeting 1** :- Agreed and filed.
- 4) **Matters arising** :- None - items included in meeting.
- 5) **Village Map/Plan** :- JLR gave a quick explanation of how the plan was finally obtained and thanks to JP for getting Edington registered with OS and PSMA (Public Sector Map Agreement) which should give us the opportunity to pull off maps/plans as necessary. JLR will issue the data to all the team and Gareth agreed to try and obtain larger size plans (A3)
- 6) **Statistics 2005/2014/2016**:- We compared the sets of responses and agreed that in general not much has changed over the last ten years and we would of course adopt the housing recommendations outlined therein.
- 7) **Feedback on possible building sites**:- Much discussion took place on various sites that members had noticed. Mercedes would try and contact BT with regard to the old telephone exchange area. Once we had a larger plan each could identify possible site for further discussion at our next meeting. Concern was voiced at the possible use of “green field sites” setting a precedence for future developers – Bob and Sandy are to ask for guidance at Mondays Parish Meeting.
- 8) **AOB** – Nil
- 9) **Next meeting 12<sup>th</sup> Jan 2017 @13 Court Lane 7.30pm.**
